Re: State Autonomy

In response to your requests for further time to consider the matter of Incorporation and the Solicitors advice that was sent out, the Board have agreed to give the States until the 31st August to reach a decision.

The Board resolved that unless they receive your positive refusal by the 31st August 2010 to become Incorporated as a State Body, they will assume that you have accepted a willingness to participate in the new structure and will therefore move to be Incorporated with the following month.

Yours sincerely

Col Murray
